100 days of learning in 2015 - now for 200!

Tuesday was the 100th day of school for students this year and we celebrated by inviting everyone into our school to see how much we have learnt and achieved in 2015. It was also part of the 61st Education Week in NSW schools and therefore a very significant event on the school calendar.

Education Week highlights the good work that leaders, teachers and parents do to support our students in their efforts to become successful. It is important that we help each student reach their highest potential and celebrate their success along the way.

A high-quality education system is our vision for Narrabri West and we do this by working together and focusing on what's most important - our students. Every decision we make as educators should always be in their best interests.

We also have an obligation to equip our students with the skills and knowledge they need as 21st century learners, which is why we now talk about the importance of the 4Cs, as well as the 3Rs - creativity, critical thinking, communication and collaboration.

We need to inspire our students to discover a world where anything is possible. It is challenging and rewarding work and I acknowledge the professionalism, hard work and commitment to student learning by all at Narrabri West.

A very large crowd attended our celebrations and visited classrooms where students proudly presented their work and demonstrated very clearly the progress they have made and how clever they are. Just imagine how much they will have learnt after 200 days of school!

Classes showed some of their work, presented multimedia presentations of their class activities and got their visitors involved with class activities and learning. Every class was very busy and the student's certainly enjoyed the opportunity to show what they can do.

Thanks to everyone who came. We appreciated your presence and most importantly, your children did as well.
Oxley are our 2015 Athletics Champions

Our 2015 Athletics Carnival has been held at our second attempt in front of another large crowd of spectators. The students were actively competing throughout the day and teachers and parents were enjoying the action. Well done to everyone for participating so enthusiastically. The weather was great too (phew!). It was a terrific day.

Our Athletics Carnival represents what is special about our school – all of the students and staff from Pre School to Year 6 involved with lots of parent and community support. Most importantly, it is about fun and competition, winning being only a part of it, with a ribbon or medal a bonus if you are lucky enough to receive one, but certainly worth celebrating if you do!

After two days of very hard fought and close competition, Oxley was the winning house. Our age champions and medallion winners were:

- 5 Yrs: Ruby Clayton, Cruz Ryan
- 6 Yrs: Allira Tibbett, Dominic Browning
- 7 Yrs: Bree Charlton, Nate Wilkins
- 8 Yrs: Tayla Nott, John Ojo
- 9 Yrs: Amalie Gosper, Brock Gordon
- 10 Yrs: Grace Hardy, Rileigh Kelly
- 11 Yrs: Kaylyn Chater, Dylan Hazlett
- 12 Yrs: Jemma Hedley, Dylan Williams

One new record was also set at the carnival - Amalie Gosper now holds the 9 Years 100m record of 15.69 sec. Well done Amalie.

Amalie is now the proud holder of three Narrabri West athletics records (6 years 70m, 8 years 100m, 9 years 100m) and was presented with her latest record certificate at Fridays assembly.

Full carnival results are included later in this newsletter. Good luck also to all athletes who will now be competing at the Narrabri Zone PSSA Carnival this Friday at Wee Waa.

Thank you to Mrs Parker and Mrs ‘Sporty’ Smith for their organisation and to all of the teachers who worked constantly to get through the program and to keep everyone involved.

Narrabri West is fortunate to be able to hold our carnival on our own school grounds and our track was in fantastic condition - thanks Mr. Wilson.

Effective schools like ours depend on the generous support of people prepared to give their time to support our events. Thank you also to our canteen helpers from the carnival, many of whom are former parents who currently have no children attending our school. How lucky we are they still want to help.

NAIDOC Week Celebrations

Education Week started with our NAIDOC Week celebrations and a special flag raising ceremony performed by Narrabri Shire councillor and ex-Westy, Les Knox, assisted by Janice Knox, along with an interesting talk by Craig Trindall, another ex-Westy.

NAIDOC Week aims to develop deeper understandings about Aboriginal Australia and celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people.

We all had fun engaging in a broad range of activities and games inspired by Aboriginal culture and then finished with a yummy cake donated by ‘Wahgunyah.’
Thanks also to Sharon Philpott from Narrabri & District Community Aid Service (NDCAS) for donating the bags of ‘goodies’ to each class.

It was a great start to Education Week.

Book Fair
Our Book Fair last week was once again a great success – thank you everyone who supported it. The school retains 30% of the sales and we will use these funds to purchase additional resources for the library to help with implementing curriculum.

Jeans for Genes®
Thank you to everyone who supported this important cause. $210 was raised for the Children’s Medical Research Institute by students and teachers who happily joined in the spirit of the day.

School fee payments
Thank you to all families who have recently paid their 2015 school contribution fees. These funds go directly towards additional resources to benefit your child’s education.

VP and Long Tan Day
On Saturday 15th August, our school captains Maddie and Jordan will represent the school at the Victory in the Pacific and Long Tan Day ceremony to be held at Narrabri RSL Club, commencing at 11.00am.

They will join the captains from the other Narrabri schools for this important ceremony and will also present a short address on the contribution made by Australian soldiers in the Pacific areas during World War Two.

Kindergarten and Pre-School Enrolments 2016
Enrolments for 2016 are progressing very well and thank you to all those people who have already indicated their children will be attending Narrabri West next year.

Please encourage anyone you know who has children commencing school in 2016 to fill in the form included with this newsletter and return it so that we can accurately commence planning. All students in Narrabri Pre Schools entering Kindergarten in 2016 should have received packages promoting our school, highlighting our achievements and inviting them to consider Narrabri West. Our school offers high quality and wide ranging educational experiences. If your child attends another Pre School and you have not received your information pack, please ask the Pre School for it, as we have supplied these to all Pre Schools in Narrabri for distribution.

Pre School visits
Narrabri West has been visited by children, teachers and parents from Narrabri’s other Pre Schools. This assists them to become aware of what is on offer at Narrabri West, which helps when making a decision as to which school their children will attend for Kindergarten. Whilst here they were treated to a tour of the school hosted by our captains and prefects, as well as participating in some fun activities with Kindergarten, morning tea and a play outside.

ANZ Citizenship Award - well done Lincoln!
Our latest winner of this prestigious award is Lincoln Browning. Lincoln is a terrific citizen of Narrabri West who is always well behaved and does his very best. He is a deserving winner – well done Lincoln!

Term 3 has begun well
We are now into Week 4 of the term and the students have settled back into their learning routines really well.

Term 3 will be another wonderful term delivering exceptional learning opportunities and of course the continuation of quality education in each and every classroom. This term we will receive our school’s NAPLAN
results for Years 3 and 5 and we are looking forward to analysing our results and continuing to develop and improve each student’s education.

Over the past few weeks we have hosted a number of visits by teachers from other schools. On every occasion we are complimented about:

- How well-mannered and polite our students are;
- How engaged our students and teachers are with their teaching and learning;
- How well the school is presented and how impressive our learning and play facilities are; and
- How many great ideas our school offers other schools.

Sometimes we lose sight of this and forget to appreciate what we have here at Narrabri West ... we are a GREAT SCHOOL!

Best wishes
Stephen Maher
Principal

Stage One Class News - 1K, 1S, 2B & 2D
What an eventful start to the term we have had. Education Week has been huge with NAIDOC celebrations, a book fair in the Library and our 100 Days of School activities. We really
loved having our family and friends visit to help us celebrate.

Our COGS unit this Term is all about ‘Growing and Changing’. We are investigating how plants, animals and people grow and change over time. During RFF with Mrs Phillips we have enjoyed learning about meal worms and lifecycles.

During our Maths lessons Year 1 have been looking at the ‘Language of Chance’ and 2 digit numbers. We have also been learning to count on and count back on and off the decade. Year 2 have learnt to build, compare, order and round three digit numbers. We have also looked at investigating and solving number patterns.

Our PE and Sport program is based on fundamental movement skills and we also had a great time learning some new PE activities during our NAI DOC celebrations.

Our Creative and Practical Art unit this term is also based on ‘Growing and Changing’ and we have had a fantastic time during drama, dance and visual art lessons with printmaking, mime and interpretive dance.

Overall we are all loving our learning at Narrabri West.

**North West PSSA Sporting Selection**

Congratulations to Dylan Williams who has been selected in the North West PSSA Soccer team, following the recent North West Trials. Dylan will now compete at the NSW PSSA Carnival. Well done Dylan!

The children enjoyed participating in the school’s NAI DOC Week activities last week. After the flag-raising, we played Indigenous games. They did a great job in playing these games - learning quickly what to do and playing co-operatively.

The children have been introduced to another piece of technology in our Pre School, the SmartTable. It is an interactive computer which provides a variety of learning experiences, such as colour, shape, animal recognition and sorting activities to name a few.

Our focus on Australia for July has been an interesting addition to our program. The children have learnt about some famous landmarks as well as Australian animals. They have learnt key word signs for some of them. Making animal masks, painting boomerangs and dancing and singing to songs such as ‘G’day, G’day’, ‘Waltzing Matilda’ and ‘Tie Me Kangaroo Down’ has been included. After reading the big book ‘Johnny Cakes’ the children each made their own Johnny Cakes with the help of Mrs Wales. We cooked them on the barbecue just like in the story! They loved eating them with honey or golden syrup! (Blue Group will have this experience this week).

**Preschool News**

Our Athletics Carnival was well attended by children and families from both groups. The weather was fantastic and we thank you for your support. It was lovely to see families having a picnic in our Pre School grounds. It was fun to have your involvement in the parent races too!

Each Wednesday, the children are having a short story and music time in the Kinder rooms and are enjoying...
India will be our focus country for August. Did you know that India has 1 billion people living there and it’s the size of South Australia? We will learn some facts about it, one being about the famous landmark the ‘Taj Mahal.’ Indian music will also be featured - even reluctant dancers can’t help moving to its drumbeat! If anyone has been to India or has objects of interest to show us, please let us know.

Please think about sharing any of your interests, hobbies or musical talents etc. with us. It really enriches the children’s learning.

Thank you so much for your support of our Book Fair last term. We now have the books on display for you to see. They have book plates in them acknowledging your donation. We made over $1,000 which entitles us to $300 worth of books!

We have been very fortunate to have Tracey Fing working in a voluntary position at our Pre School. She comes in on Tuesdays, Wednesdays and Thursdays and has been of great assistance.

Have a great fortnight
Louise Stewart & Tricia Lawty
