The Language of Learning

One of the roles (and also one of the pleasures) of our school's leadership team is to visit classrooms. All thoroughly enjoy teachers opening up their doors and we have a culture in our school that encourages leaders, colleagues and visitors from other schools into our classrooms to observe and participate in our learning. Our students also enjoy sharing their learning. Being in the classrooms is necessary to ensure we are working towards our strategic directions of Student Learning, Student Welfare and Professional Practice. Teaching is a complex task and support from the school leadership team is an important component in assisting all teachers to continually develop and enhance their teaching practice.

When visiting classrooms, questions often asked of students are:

- What are you learning?
- How will you know if you have learnt it?
- Where are you going next with your learning?

It is critical that students understand the purpose for their learning. This is why teachers share learning goals and success criteria with students. Asking these questions allows them to know whether or not students really get the importance of what they are learning. And, if they don't get it, then we need to figure out what we are going to do to make sure they do.

We want to hear the language of learning. Engaged learners will articulate clear criteria for what good work looks like. They will be able to clearly talk about their learning. High quality explicit teaching will enable students to do this and including them when devising learning goals and success criteria is a powerful strategy in achieving this.

Asking a student, “Where to next?” has an impact on student learning and promotes the development of a growth mindset. Effective feedback, from teacher to student, from student to teacher and from student to student, is vital in ensuring student improvement.

Parents, you can assist this process, by asking your children to talk with you about their learning.
These are tables you are allowed to draw on!

We have recently purchased further additions to the new range of furniture in our classrooms, with the arrival of some whiteboard tables in 5/6P and 3/4W. Our plan is to get some more for other rooms as finances allow.

These are a table with a whiteboard surface on top which can be written on with whiteboard markers and of course erased after use.

They can be used to encourage collaboration, innovation and fun, with their main benefits being:

- **Immediacy** – it’s like having butcher paper, post it notes or scrap paper with you at all times.
- **Collaboration** - students can work as individuals, groups and teams and because the ‘paper’ is huge, everyone has equal access to it.
- **Translation** – The table surface allows students to write their answers. Students can quickly show different ways to problem solve and they are particularly suited to the development and understanding of maths concepts.
- **Exploration** – The table allows students to demonstrate and explore their answer. They can easily modify the problem and discover what happens when changes occur. This exploration of the answer allows students to quickly gain feedback.

These are already proving to be very useful and popular with our students - one reason being because they are **allowed** to draw and write on these tables!!!!

**Strong efforts by Narrabri West athletes!**

Our athletes performed very well at the Narrabri PSSA Athletics trials held at Wee Waa, with a number of winning performances and many personal bests being recorded. Our team competed as always with enthusiasm and commitment and were great sports.

A number of our athletes have now won selection in the Narrabri Zone PSSA team to compete at the upcoming North West Area PSSA Athletics trials to be held in Tamworth on Friday 28th August. Athletes who finished 1st or 2nd in their event were selected; however there are qualifying heights/distances in high jump and discus.

A full list, more photos and the events they have been selected for are in the Sports News section of this newsletter.

Thank you to Mrs Parker and Mrs ‘Sporty’ Smith for your extra efforts in helping our athletes practise after school prior to the trials – this certainly made a difference.

It was again however disappointing to see the number of students who arrived for the bus on the morning of the trials wearing jumpers that were not school uniform. They looked out of place and as if they did not belong. They were part of a team, but not in the teams’ uniform. Our permission note stated that all students should be in full school sports uniform. Please ensure that all students are in uniform when representing the school and we look forward to your cooperation with this.

**Victory in the Pacific and Long Tan Day**

Our school captains Maddie and Jordan represented us at this memorial service held at the Narrabri RSL last Saturday. They joined the other local school captains and also presented a speech recognising the sacrifices made in war by Australian servicemen. As you would expect, they performed their speeches extremely well. We also thank them for giving up their Saturday morning to represent our school at this important community event.

**Year 6 Canberra and Snowy Mountains Excursion - get your bags packed!**

Students in Years 5 and 6 are no doubt getting excited about their upcoming trip to Canberra – two weeks to go! Final information will go home soon and all is in readiness for what should be a fantastic experience. Hopefully their snow trip to Perisher Blue will be a snowy and exciting highlight.

We plan to have regular updates on the excursion on our Facebook page – this way you can keep up to date with what they are doing and see some photos of them enjoying the week.

**The Tell Them From Me student feedback survey**

This term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the **Tell Them From Me** student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of
the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at:

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the Tell Them From Me survey to help improve how they do things at school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 17 August and 16 October. Participating in the survey is entirely voluntary.

A consent form for parents about the survey has been sent home with students in Years 4 to 6. If you do not want your child or children to participate, please return the form to school if you have not already done so.

The Partners in Learning parent feedback survey

Our school will also be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Participating in this survey will help our school understand parents’ perspectives on their child’s experience at school. These include: communication between parents and staff, activities and practices at home and parent views on the school’s support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online. It will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 18 September. Participating in the survey is entirely voluntary, however your responses are very much appreciated.

We will distribute tomorrow information to all parents on how to access and complete the survey.

Ready, Set Kinder! Transition Program

Our Kindergarten Transition program commences tomorrow, Wednesday 19th August. This will be an excellent opportunity for all 2016 Kindergarten students to prepare themselves for the beginning of their school life. It is not too late to register your interest in this program or for Kindergarten in 2016. Please fill in the form attached to this newsletter, or contact the school office (67922377) if you require further details.

Halfway through the term - already!

Well, how fast is this term flying? It is hard to imagine that we are less than five weeks away from the end of the term. As we now pass this halfway point, thank you to all of our students for your terrific achievements. You continue to work hard and behave wonderfully well at school. Your parents have every right to be proud of you, as are all of your teachers!

Parents, please consider offering your help for the upcoming school fete if you have not already done so. Any help you can provide will be of direct benefit to your children.

Best wishes
Stephen Maher
Principal

Enrolling now for Kindergarten 2016

Children benefit from innovative learning programs, small group instruction, dedicated teachers, technology, wonderful facilities and an outstanding range of cultural, performing arts and sporting opportunities in a 21st century learning environment.

READY, SET, KINDER!

Transition to Kindergarten program commencing soon!

Term 8
- Wednesday 19th, 26th August & 2nd, 9th, 16th September
2:10pm - 3:00pm

Term 9
- Wednesday 30th, 7th, 14th, 21st, 28th October
9:25am - 10:05am
Parent Information Session: Wednesday 28th October
1:30pm - 2:10pm
Student Graduation Ceremony: Wednesday 28th October
2:15pm

We are now taking Expressions of Interest for Pre School placements in 2016.

Application forms may be collected from the front office or our website.

Initial offers of placement for 2016 will be made in September.

Reminders

The Premier’s Reading challenge closes soon. With book records completed we look forward to validating student entries so that they...
may receive their certificates in Term 4.

Thank you to teachers and parents for assisting students to find and read books as this is an important commitment to student learning.

The challenge closes for students on Friday 21st August. I am unable to validate student entries after this and they will not be able to receive their certificate of completion in Term 4.

Remember you must read a certain number of books to complete the challenge:

K-2 – 30 books
3-4 – 20 books
5-6 – 20 books

Visit the PRC website to complete student records and keep up to date with the latest news.

Visit the PRC website to complete student records and keep up to date with the latest news.

Congratulations Davina and Quinn – the first to finish the Reading Challenge!

Skoolbag is now available for Windows Phones running version 8.1 of Windows and Windows devices running Windows 8.1 or 10 (eg Surface tablet, Laptop, PC etc). This makes the app even more accessible than before, with the ability to receive messages directly to a PC, Laptop, or Surface Tablet running Windows 8.1 or 10.

To install Skoolbag on your Windows device, look up 'Skoolbag' in the Windows Store and install it. Once installed you can find your school, and pin it to your Windows Home Screen. Please note: You must be running at least Windows 8.1 on your device for the app to function.

Earn and Learn Promotion

This year we are again participating in the Woolworths Earn & Learn program. Through this we will be able to get new resources for our school courtesy of parents who shop at Woolworths. From now until Tuesday 8th September you will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at Woolworths.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science, Arts and Craft, Sport and for our library. If you’d like to know more visit:

woolworths.com.au/earnandlearn

Last time this promotion ran in 2013 we were able to receive some great resources with the points we earned. These included all of the tables and chairs in the Library.

Our next fete newsletter and helper roster will go home next week. Our next fete meeting is on Monday August 31st, commencing at 6:00pm in the staffroom.

Our fete committee is having a BBQ at Woolworths on Saturday 29th August (see advertisement below) as another way to promote our fete. So come along, have a sausage and support the school at the same time. We still need some helpers, so if you can help between 9:30am and 2:00pm, please contact the school office. We hope to see you there.

EARN & LEARN

Sausage Sizzle

Woolworths

Daniel West Public School

Fete

Our next P&C meeting will be held on Monday 7th September at 6:30pm in the staffroom. All parents are welcome.
Supervision at School

Playground supervision commences at 9:00am. Teachers at school before 9.00am are here for lesson preparation and meetings etc. and as part of their work agreement, do not start duty until 9:00am in the mornings. They are not able to provide supervision prior to that.

Parents are reminded you remain legally responsible for your children prior to 9.00am when supervision begins. Please try to avoid having your children arrive at school before 9:00am.

Girls Touch Football Knockout

On the 12th of August 2015 the girls touch football team went to Number 2 (Hogan) Oval to play touch footy. The girls played Wee Waa Public. We played exceptionally well and ended up with four tries. The try scorers were Jemma Hedley with 3 and Amelia Beer with 1. Wee Waa ended up with 3 tries. In our team were Aimee Fladrick, Elsie Ford, Alexandra Bennett, Maddie Richardson, Jemma Hedley, Amelia Beer, Alex Hall, Zara Foley, Emma Richardson, Emily Redman and Ella Charlton.

Congratulations to the girls and good luck in your next game! 😊

Written by Elsie Ford, Alexandra Bennett and Aimee Fladrick

PSSA Athletics Carnival

Amalie Gosper - 100m, 200m, Relay
Holly Ford - 100m, Relay
Chelsea Wallace - 100m, Relay
Emma Richardson - 100m
Grace Hardy - Relay, Discus
Zara Foley - Shot Put, Discus
John Ojo - 100m, Relay
Brock Gordon - 100m, Relay
Dylan Williams - 100m, 200m, Relay, High Jump, Long Jump
Mackenzie Kerr - 800m
Dylan Hazlett - Relay
Gus Knight - Relay
Jordan Baxter - Relay
Riley Longworth - Long Jump
Daley Guest - Daley Guest
Alex Dean - Relay
Rileigh Kelly - Relay

New record – We congratulate Dylan Williams, who set a new record at the carnival of 1.50m in the Senior Boys High Jump, breaking the old record of 1.48m. Congratulations Dylan – what a great effort!

All the action featuring some of the Westies at Wee Waa!

Stage 2

Term 3 has been busy and exciting. We had a fantastic week celebrating NAIDOC and Education Week. We enjoyed playing games, cutting the Aboriginal flag cake and having our families visit on our 100 days of school. It was great to reflect on what we have liked and learnt this year and share this with our visitors. 3/4F even involved their visiting friends and family in some creative and fun diorama making!

This term we are learning about life cycles, so we are planning and undertaking some cool science investigations. We will get to observe and record the growth and change in either plants or insects. Be sure to ask a member of 3/4W (Miss Cush’s class) what a heliothis is.

We have been reading about two incredible animals that became best friends - a hippopotamus called Owen and a 130 year old tortoise called Mzee. They live together in a wildlife park in Africa and after little Owen was rescued he and Mzee became inseparable (yes we have learnt a variety of new vocabulary from this
We have been writing using pronouns, adverbs and correct verb tenses.

Finally, for PE this term we are certainly enjoying ourselves by dancing in the hall together. We can really ‘bust a move!’ Ask your stage 2 child to dance the Wild West for you, or breakdance and show you how to do the spider.

Year 3 and 4’s that have shown great behaviour are looking forward to the Lake Keepit excursion at the end of this term (Monday to Wednesday in week 10). Thank you to all those parents who have returned forms, filled in the online medical form and paid any outstanding money. Start finding all the items on the ‘What to pack’ list that was previously sent home.

Miss Cush, Mrs Charlton and Mrs Ford

Life at Pre School is always interesting and varied as we follow the children’s interests. After we enjoyed the experience of making Johnny Cakes, we followed it up with a painting activity called ‘Squeeze Bottle’ painting. The children were introduced to using flour, salt and water in a different way. They made the dough paint, then applied it with sauce bottles! It was challenging and fun and the results are amazing. Each child was asked about their painting - the responses were varied and interesting. We are going to continue the flour, salt and water theme and cook scones this week!

This Wednesday the ‘Ready, Set Kinder!’ Transition program begins. Please note that the children from both groups may attend this regardless of which Wednesday is their Pre School day. They have enjoyed their visits to Kindergarten already this term.

Narrabri West Fete: Preschool runs its own stall at the fete. It is a games stall and every child who competes will get to choose a ‘lucky dip’ prize. We are in need of volunteers to run the stall. A roster will soon be displayed near the sign-on book. Please consider sparing an hour to help.

Vision Screening: In week 9 a community health vision screening will be conducted at our Preschool. Forms will soon be going home for you to fill in. This is a beneficial screening for your child to participate in.

Reminder about Library Book: Please return the books that your child borrows on their first day back to Pre School.

Have a great fortnight

Louise Stewart & Tricia Lawty
